2) Letter No 12/0/59/A/369/A/5713, Dated 13-10-1956 from the C.C.F. B.S. Poona. The remarks of the C.C.F. have since been received. The C.C.F. has requested that the grant of land would lead

to the honey-humming of the forests and creation
of awkward landscapes. In view of the above
and also in view of the fact that Govt orders
sanctioning the disforestation of the area were
issued prior to the introduction of the revised policy
laid down in E.R.A. & R.D. No. 12441 1054 of 28¹/₅₃
he requests Govt to reconsider their orders
of disforestation of the area in question.

The collector has strongly recommended the
grant of land for cultivation to ~~the lessee~~ ^{Shri Nark}
for the following reasons.

- (1) The land was formerly Govt-waste.
(2) It was afforested in 1910 and this
S.M. has not been notified by the Forest-
Deptt. for being disposed of for cultivation.
- (2) The lessee is cultn Shri Nark is cultivating
the land since 1949-50 and that
he has spent considerable amount to
the extent of Rs 250/- for the improvement.

of land

(3) The applicant does not hold any other land either on Malki or on lease and that there are 10 members in the applicant's family.

(4) The applicant is very poor and he is in a position to pay Rental occupancy price amounting to Rs 100/- The Mahabudha recommends that only an amount of Rs 100/- would be sufficient.

7) Under the circumstances the land may be ordered to be forfeited and granted to Shri Hail permanently. A draft G.O. is put for approval.

(66) Normally all the trees on the land are sold to the grantee or are extracted departmentally before the land is handed over to the grantee. In the present case the Collector Kanara has recommended the grant of the land subject to reservation of valuable trees. Such a course would not help the Forest Department because for some reason or other all the trees will be cut gradually. Hence it would be better if the tree growth on the land is sold to the applicant at market price or extracted departmentally, if the grantee is not willing to purchase the same at market price.

Regarding the reduction of penal occupancy price I have no remarks to offer.

The Secretary to Government,

No. S. 105/2/213.

Karwar, 30-4-1956.

Subject: Forest Land: Kanara
Hillur, taluka Ankola
Grant of ... at, ...

Reference: Govt. letter, A. & F.D. No. FLD 1254/3598-J
dated 12-12-1954.

In submitting herewith the disforestation case of
Sirri Narayan Chokka Naik of Hillur for grant of F.S. No.
296 of Hillur, I have to state as under:

Government under their above quoted letter have
directed//that the land measuring ^{A.G.} 5-19-0 out of F.S. No.
296 of Hillur in Ankola taluka should be granted to Sirri
Naik for cultivation after disforestation on usual terms
and conditions on payment of penal occupancy price. It
was further directed that the requisite draft
notifications should be submitted to Government.

On receipt of Govt. Resolution, Agriculture and
Forests Department No. FDM 1054 dated 28-1-1955, the
papers were sent to the Divisional Forest Officer for
remarks in view of the orders contained in the said
G.R. (pages 35 and 36). The Divisional Forest Officer
does not recommend the grant of this area since it
contains considerable tree growth and that the area is
not available for grant as it falls under category
III 7(a) of G.R., A. & F.D. No. FDM 1054 dated 28-1-1955
(page 123). Thereafter, the Conservator of Forests,
S.C. Belgaum has been consulted as to whether there is
any objection to grant the land in view of the facts
that Government have already directed to submit draft
notifications (pages 124 and 125). But, he is also not
in favour of regularisation of the encroachment as
the area contains considerable tree growth (Conservator's

15

of 55-56

endorsement No. 22/9/18830/dated 4-3-1956).

During the course of revenue inquiry, it is reported that the encroacher (Siri Naik) is cultivating the land from 1949-50 and that he has spent a considerable amount to the extent of Rs. 2500/- for the improvement of the said forest area (pages 115 and 130). It is further reported that the S.No. in question was once a Government waste which was afforested under Govt. notification No. 8891 dated 3-10-1910 and that this S.No. has not now been notified by the Forest Department for being disposed of for cultivation (page 115).

It is reported by the Mamlatdar that the applicant does not hold any other land either on malki or on lease and that there are 10 members in the applicant's family. The penal occupancy price @ Rs. 5/- per guntha to be fixed under the instruction laid down in G.R., A. & F.D. No. FDM 1054 dated 7-8-1955 on the encroached area of A.G. 5-19-0 comes to Rs. 1095/-. The applicant is reported to be very poor and is not in a position to pay such a large amount. The Mamlatdar recommends that an amount of Rs. 100/- may be ordered to be recovered from the encroacher as penal occupancy price for regularisation of the encroachment.

The applicant is very poor. If he is evicted from the land, it will cause considerable hardship to him for the reasons explained by the Mamlatdar in his endorsement at pages 115 and 130. Considerable tree growth reported by the Forest Department all round about the S.No. and the blank middle portion is brought under cultivation. The trees, therefore, do not come in the way of cultivation which is being carried on from 1949-50. The grant may be subject to the reservation of the valuable trees.

Under these circumstances, the grant already made by Government under their above quoted letter may not

13

be cancelled and orders solicited to regularise
the encroached area after disforestation on recovery
of penal occupancy price as above.

Shri R. S. Naik

In forwarding herewith the Conservator of Forests Southern Circle's letter No.22/9/1819 dated 31-8-1956 regarding grant of forest land to Shri Naik, I have to state that the applicant, Shri Naik had previously applied for this very piece of land measuring A.5-Gs.19 out of S.No.296 of Hillur in the year 1953-54. However, on enquiry into the matter, when it was revealed that the said land was situated in the midst of the forests and that its grant would lead to honey-combing of the forests and creation of awkward boundaries, the request of the applicant was not recommended to Government. In this connection, reference is invited to this office Nos. 17/D/2822 of 23-12-1953 and 17/D/3066 of 19-1-1954.

2. In their endorsement No.FLD 1254/3598-J of 12-2-1954, Government, however, ordered that the land in question should be granted to the applicant for cultivation after disforestation and further directed the Collector, Kanara to submit requisite draft notification for publication in the Bombay Government Gazette. But the Collector forwarded the case to the Divisional Forest Officer, Kanara Western Division for his remarks in the light of the revised policy laid down in the G.R.,A.&.F.Deptt. No.FDM 1054 of 28-1-1955. However, as the grant of the land does not come under the purview of the orders contained in G.R.,A.&.F.D.No. FDM 1054 of 28-1-1955 and even No. dated 7-3-1955, it was not recommended by the Divisional Forest Officer. From paragraph 2 of the Conservator's letter, it will be seen that he also does not recommend the applicant's request.

3. In view of the above and also in view of the fact that the Government orders sanctioning the disforestment of the area were issued prior to the introduction of the revised policy laid down in G.R.,A.&.F.D.No.FDM 1054 of 28-1-1955, Government may kindly be moved to reconsider their order disforesting the area in question.

No.22/9/1819 of 1956-57.
Belgaum, 31 August, 1956.

To

The Chief Conservator of Forests,
State of Bombay, Poona 1.

Ref:-Your No.17/D/SG/A/4216 of 20-8-1956.

In this case, the applicant Shri.Narayan Chokka Naik of Hillur had encroached upon F.S.No.296 of Hillur measuring 5 acres 19 gunthas in 1948 for paddy cultivation. As the Sy.No. is in the midst of the Minor forest and grant of the same leads to honey-combing, the area was not recommended under this office No.22/9/2454 of 22/24-12-53 for disforestation in favour of the applicant. For the same reasons, the request of the applicant was also not recommended by you to Government under your No.17/D/3086 of 19-1-54. But the Government in their letter No.FLD.1254/3598-J of 12-1-54 were pleased to sanction disforestation of the area in favour of the applicant and have directed the Collector of Kanara to submit requisite draft notification through this office for publication. But the Collector of Kanara under his No.S.105/II/ Pt of 23-7-55 had forwarded the case to the D.F.O. W.D.Kanara for remarks under the revised policy in G.R. A & F.Dept.No.FDM.1054 of 28-1-55. The D.F.O. in his No.G.11/11003 of 22/23-11-55 had not recommended the area encroached upon by the applicant for regularisation under G.R. A & F.Dept.No.FDM.1054 of 7-3-55 for the following reasons:-

1) The area lies in Minor Forest and it contains 18 trees one of reserved species, and 2 fruit bearing trees and 52 other injaili hardwood trees as per the list at

page 69. Hence it is not available for grant under
G.R. A & F. Dept. No. FDM. 1054 of 28-1-55.

11) The encroachment is a deliberate one.

2/ Since the area encroached upon cannot be regularised according to orders contained in G.R. A & F. Dept. Nos. FDM. 1054 of 28-1-55 and even number dated 7-3-55 for the reasons stated above, the undersigned is unable to recommend the request of the applicant for disforestation of the area in his favour.

3. The case papers received with you above No. are returned herewith.

Subject: Forest lands, Kanara.
Hillur, Taluka Ankola ... Grant of to
Shri N.C.Naik ..

Reference: 1. Govt. A. & F. D. letter No. AFD. 65 FLD
57 dated 22-1-1958.

2. Govt. A. & F. D. letter No. AFD 65 FLD
57 dated 1-3-1958.

In this case, Shri N.C.Naik of Hillur, has unauthorisedly cultivated F.S.No.296, area 5-19-0. Government had already passed orders for grant of the land in favour of the encroacher subject to the payment of penal occupancy price on the land. As per the then existing orders, the penal occupancy price worked out at Rs.1095/- (at Rs.5/- per ghntha). But, looking to the poor condition of the encroacher, penal occupancy price of Rs.100/- only was proposed under this office letter No.S 105/2/213 dated 30-4-1956. The case was referred back by Government under the above quoted references to report the willingness or otherwise of the encroacher (applicant) to pay the penal occupancy price and the market price of the trees in the land.

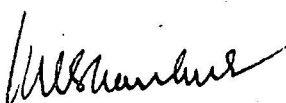

3. The encroacher in this case, has given his willingness to pay Rs.100/- towards the price of the land and he has also agreed to purchase the trees at the market price. The statement of the encroacher is also enclosed. He states that he is unable to pay any amount, but he has to give his willingness as otherwise he might lose the land. It has already

P.T.O.

(23)

been reported that the encroacher(applicant) is very poor and he has no lands other than the lands encroached. The lands in question are quite essential for the maintenance of his family consisting of 10 members.

Government may, therefore, kindly be moved to grant the land on recovery of Rs.100/- as penal occupancy price. As regards the trees, they will be disposed of through Forest Department. Since the encroacher is willing to purchase the trees at the market price, the same will be preferably sold to him through the Forest Department.
